October 5, 2017

Dear Thomaston Center School Families,

Happy Picture Day! Today students and staff will be taking school photos. Children will have individual and classroom photos taken.

Earlier today you should have received a notification on a schedule change at Center School. This change goes into effect next Tuesday, October 10, 2017. You also should have received information from the school nurse regarding our vision screening event later this month.

We are so excited about Wonder and you are cordially invited to a family night of Wonder. We will be celebrating Auggie Pullman's birthday on Tuesday, October 10 from 7:00 pm until 8:00 pm in the cafeteria. Please join us for cake and fun activities! Please see the flyer that was sent home previously for more information. As a reminder, if your child has not turned in a permission slip for our *Wonder* field trip, please be sure to have them do so.

Last week, information was sent home about our book fair. Our book fair will be held on October 18, 2017 until Haunted Hallways on October 21, 2017. All are invited to attend and more information will be forthcoming.

We are in need of "JA for a Day" volunteers in November. JA for a Day is a wonderful program that helps students learn about entrepreneurship and financial literacy. We are in need of parent volunteers for this program. If you are interested in helping on November 9, 2017, please email me at kbernier@thomastonschools.org. A training session will be held on October 25, 2017 at 5:30. Lunch is also provided for volunteers on the day of the event. Please contact me at kbernier@thomastonschools.org if you are able to help.

Tomorrow, Friday, October 6, 2017, there is no school for students as teachers will be involved in professional development opportunities. On Monday, October 9, 2017 there is no school due to the Columbus Day holiday. Enjoy the long weekend!

As always, we appreciate your support and interest in your child's education.

Sincerely,

Kristin Bernier
