June 5, 2017

Dear Thomaston Center School Families,

Happy Step Up Day! Today was an exciting day in Thomaston as each student had an opportunity to Step Up into their new classrooms! Grade six students enjoyed their visit to Thomaston High School and the third grade students were thrilled to come to Center School. Our current fourth and fifth grade students were happy to try on their new grade level teachers, too!

Please take some time to ask your child about their day. I am certain they have lots to share with you! In addition to meeting their new teachers, students also learned about the curriculum for next year, schedules, and supply lists. At the end of the academic year, students will be receiving information about summer math and reading work.

Should you have any questions, comments, or concerns about Step Up Day or next year at Thomaston Center School, please do not hesitate to contact your child's teacher, Mrs. Hustek in the guidance office, or the main office.

Sincerely,

*Kristin Bernier*
